

ReMade-at-ARI Full Proposal Template

This template form is provided in order to help ReMade applicants prepare their online submission in advance. The form itself SHOULD NOT BE SUBMITTED. The online form should be filled in along with an upload of the **Research Project Description** which is also available on our website.

If you would like advice on techniques or participating facilities before submitting a (pre-)proposal or if you need help filling out the application, talk to the ReMade@ARI **Expert Network** at sciencesupport@remade-project.eu

Research Project Title (*¹):

Same as online proposal
(255 characters)

Abstract (*):

Summarize the objectives of the proposal.
(2000 characters)

Please upload pdf proposal (link to website template) outlining the experiment methodology (*):

Please upload the outline for the methodology of the proposal.

Area(s) within the Circular Economy to which your proposal applies (*):

Choose one or more from the drop-down list: Electronics & ICT, Batteries & Vehicles, Packaging, Plastics, Textiles, Construction & Buildings, Food, Water & Nutrients, Other

Publications and references relevant to the proposal (*):

Provide max 5 papers

You can search by DOI, PMID, PMC, Title, Author

Visit (1) – Number of hours required (*):

Facilities often work with shifts, but this can be 4 or 8 hours, depending on the facility. Taking this variation into account, ReMade project times should be given in hours.

Visit (1) - Experience level of the Principal Investigator for this project in relation to this requested technology (*):

Select one from: No experience, Moderate Experience, Experienced User

¹ * indicates a mandatory field

Visit (2) – Number of hours required (*):

Facilities often work with shifts, but this can be 4 or 8 hours, depending on the facility. Taking this variation into account, ReMade project times should be given in hours.

Visit (2) - Experience level of the Principal Investigator for this project in relation to this requested technology (*):

Select one from: No experience, Moderate Experience, Experienced User

Innovation Impact: Let us know of links your research proposal has to industry or potential commercial interest. We strongly welcome industrial involvement. The industrial partner, if applicable, may remain anonymous (if needed), but its existence and typology should be declared. (*): *Select Yes or No*

If yes is selected, a new field will appear allowing you to provide further information. Industry participation e.g. industry applicant or co-applicant, industry supported students or staff, joint grants with industry, patents, technology licensing, etc. Also meaning any economic activity - private, public or mixed - that participates in the research project, or that finances it, or that has access to the data produced in agreement, or under contractual terms, with the proposers. (1000 characters)

Was a pre-proposal submitted for this project and/or is it a resubmission of a previous proposal? (*) *Select Yes or No*

If yes, an additional field will appear where you should type the ID of the pre-proposal or your previous full proposal.

Additional information:

Provide any additional information you may feel is helpful to your submission.

If published, results obtained through ReMade@ARI will be published according to the project's guidelines and ReMade@ARI and EC funding will be acknowledged.

I have read and accept the Terms & Conditions.
