

Practical Application Guide for SMEs: ReMade-SME program

Recommendations **before** starting a proposal:

- Prior to the submission of a proposal, it is strongly recommended **to consult with the industrial contact points of the facility you wish to use.** They will provide guidance through the whole process and advice on the techniques to be used.
- A list of the industrial contacts can be found on the next slide. The most up-to-date list of contacts can be found in our [Industry and Innovation page](#).
- For more **general advice** about the industrial programs, guidance on the application portal or details of the procedures for the industrial access, please contact industry@remade-project.eu

I. Create an Account in the ReMade portal

Create an account for your company at <https://apply.remade-project.eu/>

The image illustrates the three-step process of creating an account in the ReMade portal:

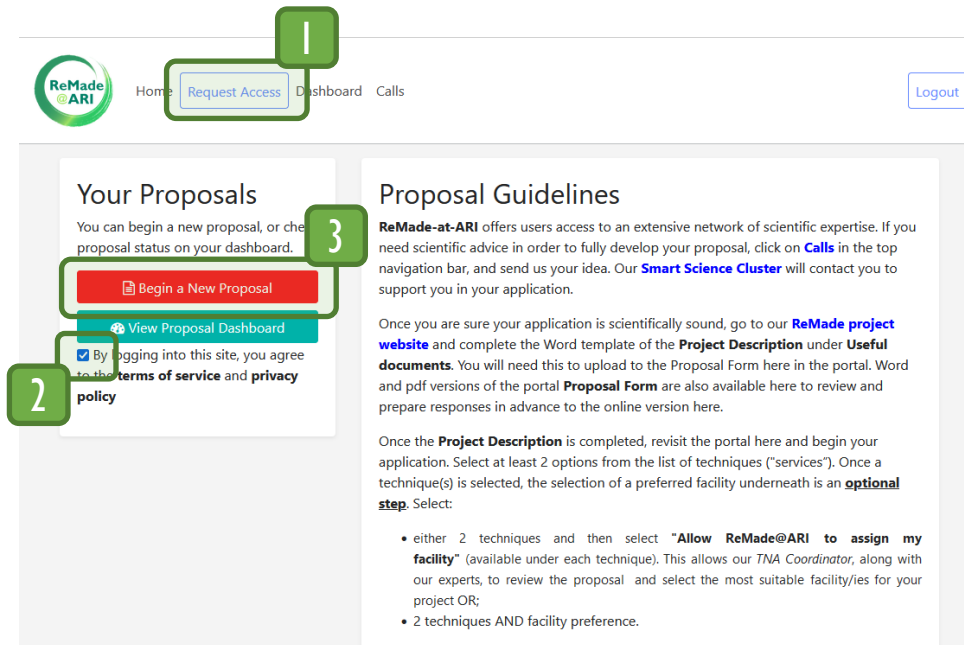

- Step 1:** The user is on the ReMade @ARI portal. The "Request Access" button is highlighted with a green box and the number 1.
- Step 2:** The user is on the "Login to your account" page. The "Login / Register" button is highlighted with a green box and the number 2.
- Step 3:** The user is on the "Create your ARIA-IDSS account" page. The registration form is highlighted with a green box and the number 3.

Need more help? Contact your **industry contact point** at our [Industry and Innovation page](#)

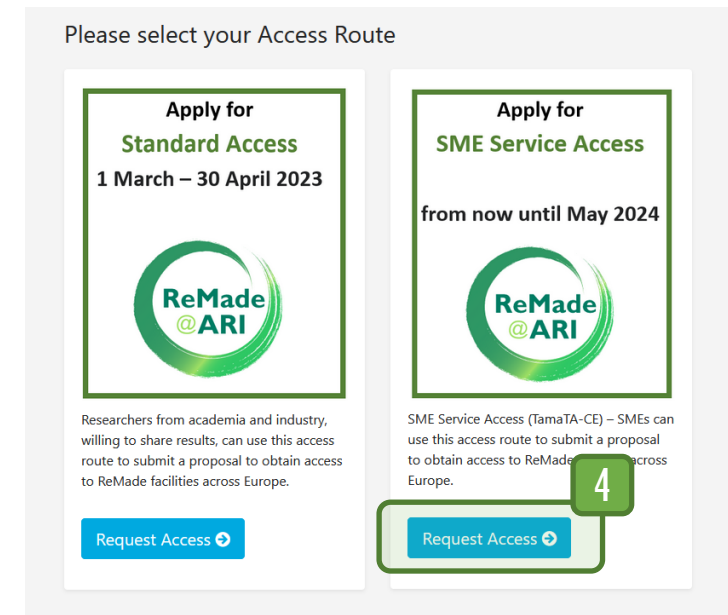

Otherwise email industry@remade-project.eu

2. Start a new proposal

<https://apply.remade-project.eu/>

The screenshot shows the ReMade @ARI application portal. At the top, there is a navigation bar with 'Home', 'Request Access', 'Dashboard', and 'Calls'. A green box with the number '1' highlights the 'Request Access' button. Below the navigation bar, there are two main sections: 'Your Proposals' and 'Proposal Guidelines'. In the 'Your Proposals' section, there are three buttons: 'Begin a New Proposal' (highlighted with a red box and a green box with the number '2'), 'View Proposal Dashboard', and a checkbox for 'By logging into this site, you agree to the terms of service and privacy policy'. A green box with the number '3' highlights the 'Begin a New Proposal' button. The 'Proposal Guidelines' section contains text and a list of instructions for submitting a proposal.

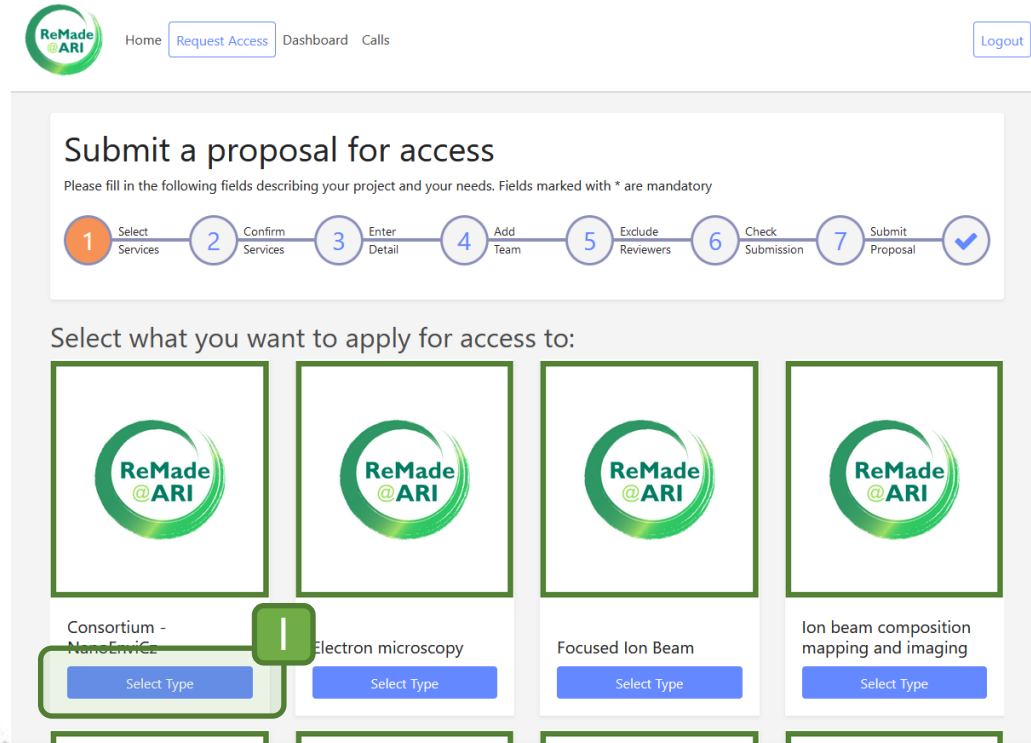

The screenshot shows the 'Please select your Access Route' page. There are two main options: 'Apply for Standard Access' (1 March – 30 April 2023) and 'Apply for SME Service Access' (from now until May 2024). Both options feature the ReMade @ARI logo and a 'Request Access' button. A green box with the number '4' highlights the 'Request Access' button for the SME Service Access option.

Need more help? Contact your **industry contact point** at our [Industry and Innovation page](#)

Otherwise email industry@remade-project.eu

3. Select techniques and facilities

Choose technique:

Submit a proposal for access

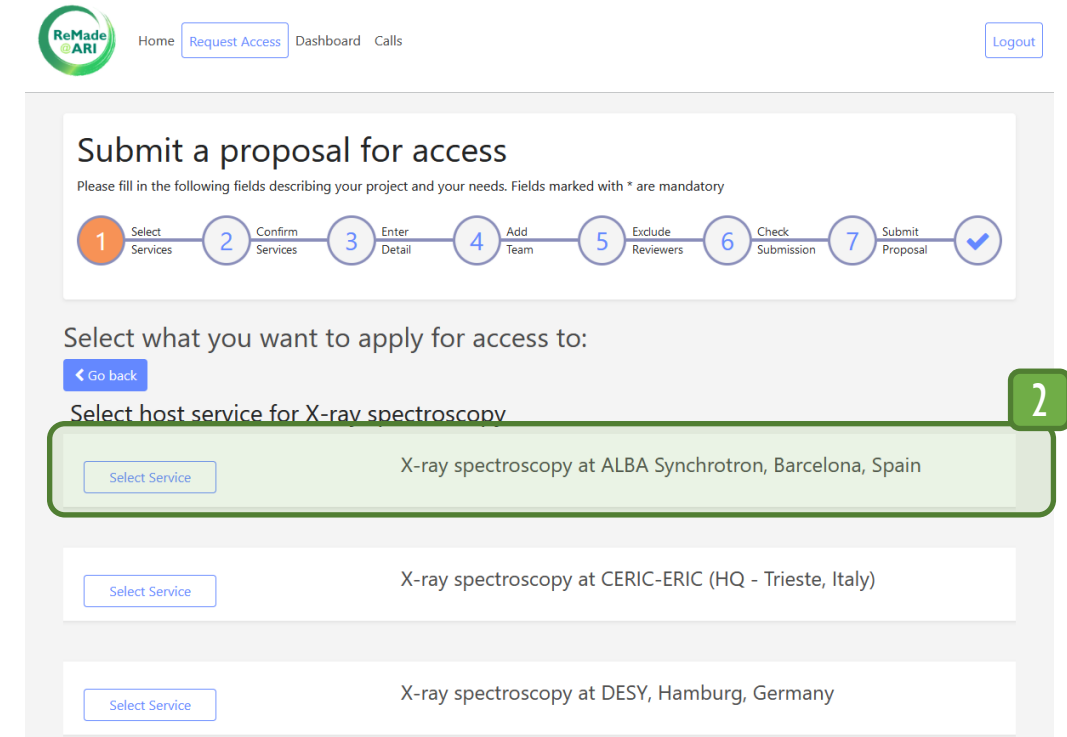

Please fill in the following fields describing your project and your needs. Fields marked with * are mandatory

1 Select Services 2 Confirm Services 3 Enter Detail 4 Add Team 5 Exclude Reviewers 6 Check Submission 7 Submit Proposal

Select what you want to apply for access to:

- Consortium - NanoService **1** Select Type
- Electron microscopy Select Type
- Focused Ion Beam Select Type
- Ion beam composition mapping and imaging Select Type

Choose facility:

Submit a proposal for access

Please fill in the following fields describing your project and your needs. Fields marked with * are mandatory

1 Select Services 2 Confirm Services 3 Enter Detail 4 Add Team 5 Exclude Reviewers 6 Check Submission 7 Submit Proposal

Select what you want to apply for access to:

< Go back

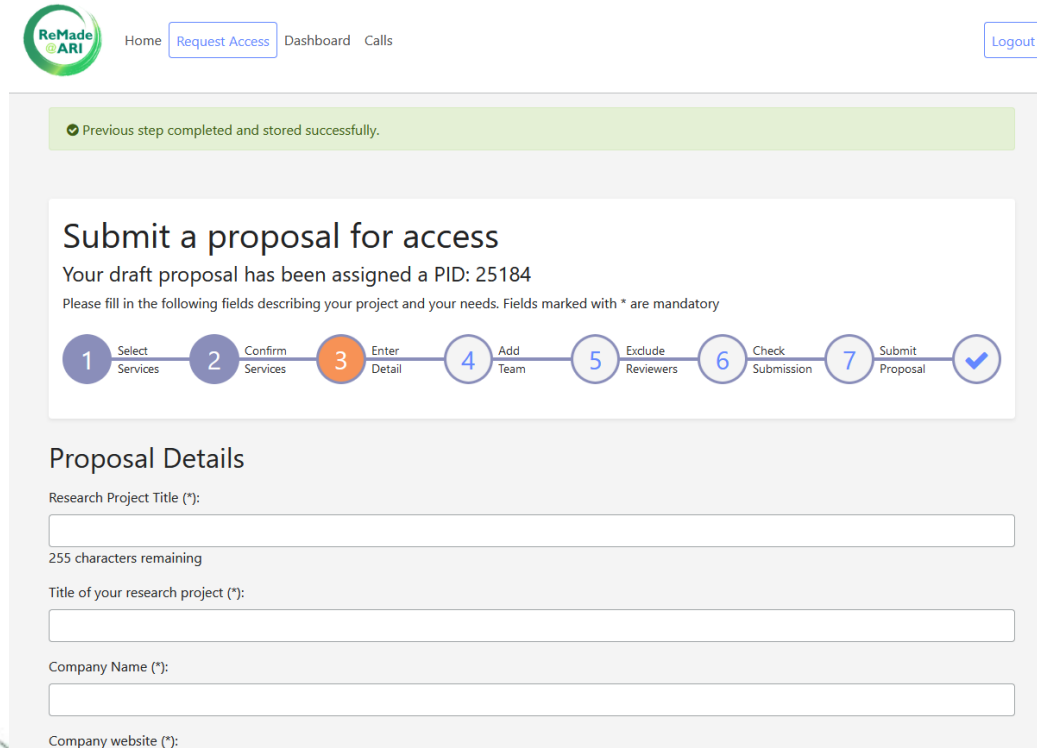

Select host service for X-ray spectroscopy **2**

- Select Service X-ray spectroscopy at ALBA Synchrotron, Barcelona, Spain
- Select Service X-ray spectroscopy at CERIC-ERIC (HQ - Trieste, Italy)
- Select Service X-ray spectroscopy at DESY, Hamburg, Germany

Need more help? Contact your **industry contact point** at our [Industry and Innovation page](#)

Otherwise email industry@remade-project.eu

4. Enter proposal details

ReMade @ARI Home Request Access Dashboard Calls Logout

Previous step completed and stored successfully.

Submit a proposal for access

Your draft proposal has been assigned a PID: 25184

Please fill in the following fields describing your project and your needs. Fields marked with * are mandatory

- Select Services
- Confirm Services
- Enter Detail
- Add Team
- Exclude Reviewers
- Check Submission
- Submit Proposal

Back Save Proposal Save & Continue

OPTIONAL (If applicable, the company can exclude potential reviewers, due to conflict of interest, etc.)

The main applicant (the company) will appear automatically here

OPTIONAL (Note that all team members must have an ARIA account in order to be added in this step)

Need more help? Contact your **industry contact point** at our [Industry and Innovation page](#)

Otherwise email industry@remade-project.eu

6. Check submission and submit proposal

A PID number will be assigned to your proposal.

Submit a proposal for access

Your draft proposal has been assigned a PID: 25184

Please fill in the following fields describing your project and your needs. Fields marked with * are mandatory

1 Select Services 2 Confirm Services 3 Enter Detail 4 Add Team 5 Exclude Reviewers 6 Check Submission 7 Submit Proposal

Accept terms and conditions of submission

You are about to finalise your proposal submission. Once this step is performed you will not be able to modify any aspect of the proposal.

Thank you for submitting your proposal. You will be contacted shortly for follow up.

I confirm that I have both read and agreed to all of the terms of submission of my chosen access routes and to the terms on this page

Save Proposal Submit Proposal >

Submit a proposal for access

Your draft proposal has been assigned a PID: 25184

Please fill in the following fields describing your project and your needs. Fields marked with * are mandatory

1 Select Services 2 Confirm Services 3 Enter Detail 4 Add Team 5 Exclude Reviewers 6 Check Submission 7 Submit Proposal

Proposal Submitted

Your proposal has been successfully submitted. A moderator will soon be assigned to choose relevant reviewers, who will score your proposal and give feedback as to potential changes to strengthen the proposal.

Please make a note of your proposal's PID number as it will be required if you need any future support or information relating to this submission. You can view all of your submitted proposals in your dashboard and view and track this proposal by selecting 'View Proposal' from your dashboard.

PID: 25184
